Quality Management - Administrator

Quality Management - Administrator

The screenshot shows the MediaVault Quality Management administrator interface. The top navigation bar includes the MediaVault logo, navigation links for Home, Media, and Reports, and the current page title 'Quality Management'. On the right side of the navigation bar, there are icons for help, user profile, and settings, along with a dropdown menu showing '00 MediaVault Plus - 0022'. The main content area is titled 'Quality Management' and features a left sidebar with two menu items: 'Form Designer' (highlighted with a callout box) and 'Evaluations'. The main area displays a 'Form List' table with columns for Name, Description, Category, Created By, Created Date, and Active. A search bar and an 'Add Form' button are also visible.

Quality Management - Administrator

The screenshot shows a modal window titled "Add Form" with a close button (X) in the top right corner. The form contains the following fields:

- Form Name ***: A text input field.
- Form Description**: A larger text area for description.
- Start Date ***: A date input field.
- End Date**: A date input field.
- Category**: A text input field.
- Active**: A checkbox with an unchecked state.

At the bottom right of the dialog are two buttons: "Save" and "Cancel".

1. Name the form in the "Form Name" field
2. Provide a description of the form if needed.
3. Start Date – When the form will be available for evaluation.
4. End Date – When the form will no longer be available.
5. Category – Specific agent groups or products
6. To make the form active select the "Active" button
7. Click "Save" to save the form.

Quality Management - Administrator

The screenshot displays the MediaVault Quality Management interface. At the top, the navigation bar includes the MediaVault logo, 'Home', 'Media', 'Reports', and 'Quality Management' tabs. On the right, there are icons for help, users, settings, and a profile. A dropdown menu shows '00 MediaVault Plus - 0022'. Below the navigation bar, the 'Quality Management' section is active. A left sidebar contains 'Form Designer' and 'Evaluations' sections. The 'Form Designer' section has sub-items: 'Create Form', 'Form Designer', 'Score Ranges', and 'Preview'. The 'Create Form' sub-item is highlighted, and a dialog box is open over it. The dialog box contains the following fields: 'Start Date' (01/17/2024 03:20 PM), 'End Date' (empty), 'Form Name' (Darcy Training), and 'Category' (empty). The 'Form Description' field contains 'Training'. There is a checked 'Active' checkbox and 'Save' and 'Cancel' buttons. A speech bubble points to the 'Create Form' sub-item with the text: 'Form created successfully. Click Form Designer tab to proceed.'

Quality Management - Administrator

The screenshot displays the MediaVault Quality Management interface. At the top, the navigation bar includes the MediaVault logo, 'Home', 'Media', 'Reports', and 'Quality Management' tabs. A user profile dropdown shows '00 MediaVault Plus - 0022'. The main content area is titled 'Quality Management' and features a sidebar with 'Form Designer' and 'Evaluations' sections. The 'Form Designer' section is active, showing a 'Form Details' area with an 'Add Section' button. A callout box points to this button with the text 'Click Add Section'. Below the main area, an 'Add Section' dialog box is open, containing a 'Name' input field with a red asterisk, a 'Submit' button, and a 'Close' button. A callout box points to the 'Name' field with the text 'Enter the Section name'.

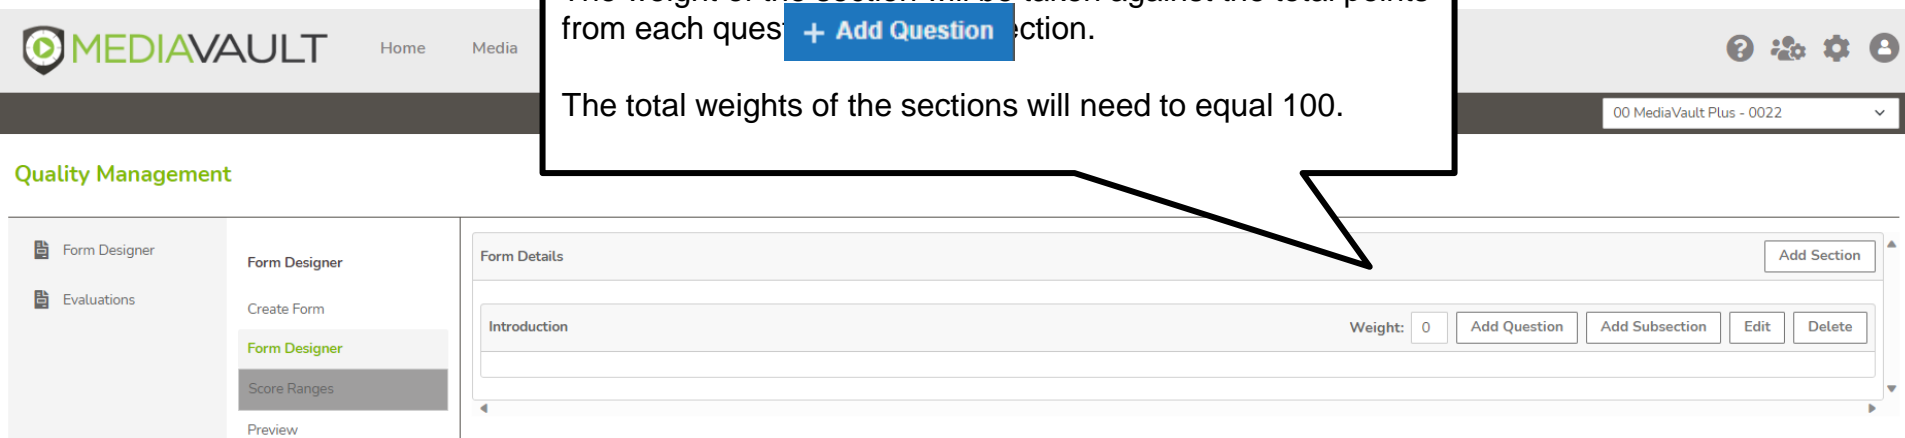

Quality Management - Administrator

Each section requires at least one question.

To add a question, click the  button.

You will also need to determine the weight of each section. The weight of the section will be taken against the total points from each question.  section.

The total weights of the sections will need to equal 100.

The screenshot shows the MediaVault Quality Management interface. The top navigation bar includes the MediaVault logo, 'Home', and 'Media' links. A user profile dropdown shows '00 MediaVault Plus - 0022'. The left sidebar has 'Form Designer' and 'Evaluations' sections. The main content area is titled 'Form Designer' and includes options for 'Create Form', 'Form Designer' (highlighted), 'Score Ranges', and 'Preview'. The 'Form Details' section shows a form named 'Introduction' with a weight of 0. There are buttons for 'Add Question', 'Add Subsection', 'Edit', and 'Delete'. A callout box points to the 'Add Question' button.

Quality Management - Administrator

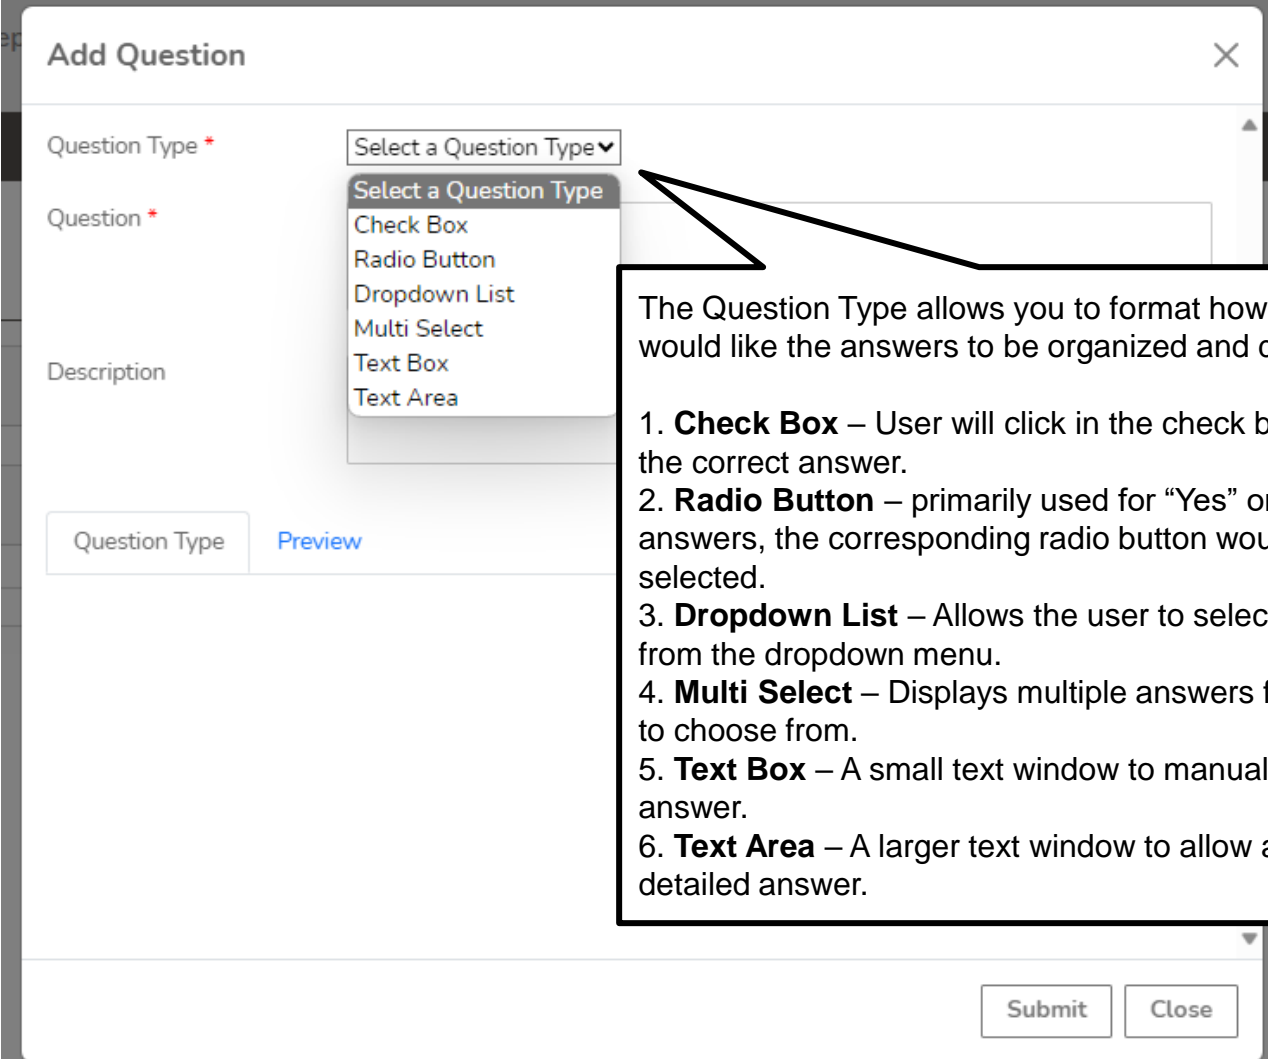

The screenshot shows a modal window titled "Add Question" with a close button (X) in the top right corner. The form contains the following fields and elements:

- Question Type ***: A dropdown menu with the text "Select a Question Type" and a downward arrow.
- Question ***: A large text input box.
- Description**: A smaller text input box.
- Question Type**: A button that is currently selected.
- Preview**: A blue text link.
- Submit** and **Close**: Buttons at the bottom right of the modal.

Two callout boxes provide instructions:

- The first callout points to the dropdown menu and the question input box, stating: "Select the question type from the dropdown menu. Then enter the question in the box below." Below this, it adds: "You can enter a description if needed."
- The second callout points to the "Preview" link, stating: "You can then preview the question before submitting."

Quality Management - Administrator

The screenshot shows a web form titled "Add Question". The form has several fields: "Question Type" with a dropdown menu, "Question" with a text input, and "Description" with a text area. The dropdown menu is open, showing options: "Check Box", "Radio Button", "Dropdown List", "Multi Select", "Text Box", and "Text Area". A callout box points to the dropdown menu.

The Question Type allows you to format how you would like the answers to be organized and displayed.

1. **Check Box** – User will click in the check box to choose the correct answer.
2. **Radio Button** – primarily used for “Yes” or “No” answers, the corresponding radio button would be selected.
3. **Dropdown List** – Allows the user to select an answer from the dropdown menu.
4. **Multi Select** – Displays multiple answers for the user to choose from.
5. **Text Box** – A small text window to manually type an answer.
6. **Text Area** – A larger text window to allow a more detailed answer.

Quality Management – Score Ranges

The screenshot displays the MediaVault Quality Management interface. At the top, the navigation bar includes the MediaVault logo, Home, Media, Reports, and Quality Management. A dropdown menu shows '00 MediaVault Plus - 0022'. The main content area is titled 'Quality Management' and features a sidebar with 'Form Designer' and 'Evaluations'. The 'Form Designer' section is active, showing a form with three sections: 'Form Designer', 'Main', and 'Conclusion'. Each section has a weight and buttons for 'Add Question', 'Add Subsection', 'Edit', and 'Delete'. The 'Form Designer' section has a weight of 33 and contains a question: 'Did the agent greet the customer properly?' with radio buttons for 'Yes' and 'No'. The 'Main' section has a weight of 33 and contains a question: 'What type of insurance was customer calling about?' with a dropdown menu set to '--Select--'. The 'Conclusion' section has a weight of 34 and contains a question: 'Did the agent thank the customer for calling?' with radio buttons for 'Yes' and 'No'. A callout box points to the 'Score Ranges' tab in the sidebar, stating: 'Once the form is complete, add the score ranges for the evaluation. This tab will only be available if the total weight from all sections equal 100.'

Quality Management – Score Ranges

The screenshot shows the 'Form Details' page in the MediaVault Quality Monitoring system. The interface includes a navigation bar with 'Home', 'Media', and 'Reports'. The main content area is divided into three sections: 'Agent Greeting', 'Main', and 'Conclusion'. Each section contains a list of questions with their respective weights and a 'Weight' field for the section. Callout boxes provide detailed calculations for each section and the total form score.

Agent Greeting Section:

- Questions:
 - Did the agent introduce themselves to the customer? (25 points)
 - Did the agent greet the customer by name? (25 points)
 - Was the agent professional? (25 points)
 - Did the agent disclose that the call would be recorded and used for training and quality assurance? (25 points)
- Section Weight: 33

Main Section:

- Questions:
 - Did the agent resolve the issue? (25 points)
 - What product was the customer calling about? (25 points)
- Section Weight: 33

Conclusion Section:

- Questions:
 - Did the agent thank the customer for calling? (75 points)
 - What could the agent have done to improve the customer experience? (75 points)
 - Did the agent sound confident on the how to help the customer? (75 points)
- Section Weight: 34

Calculations:

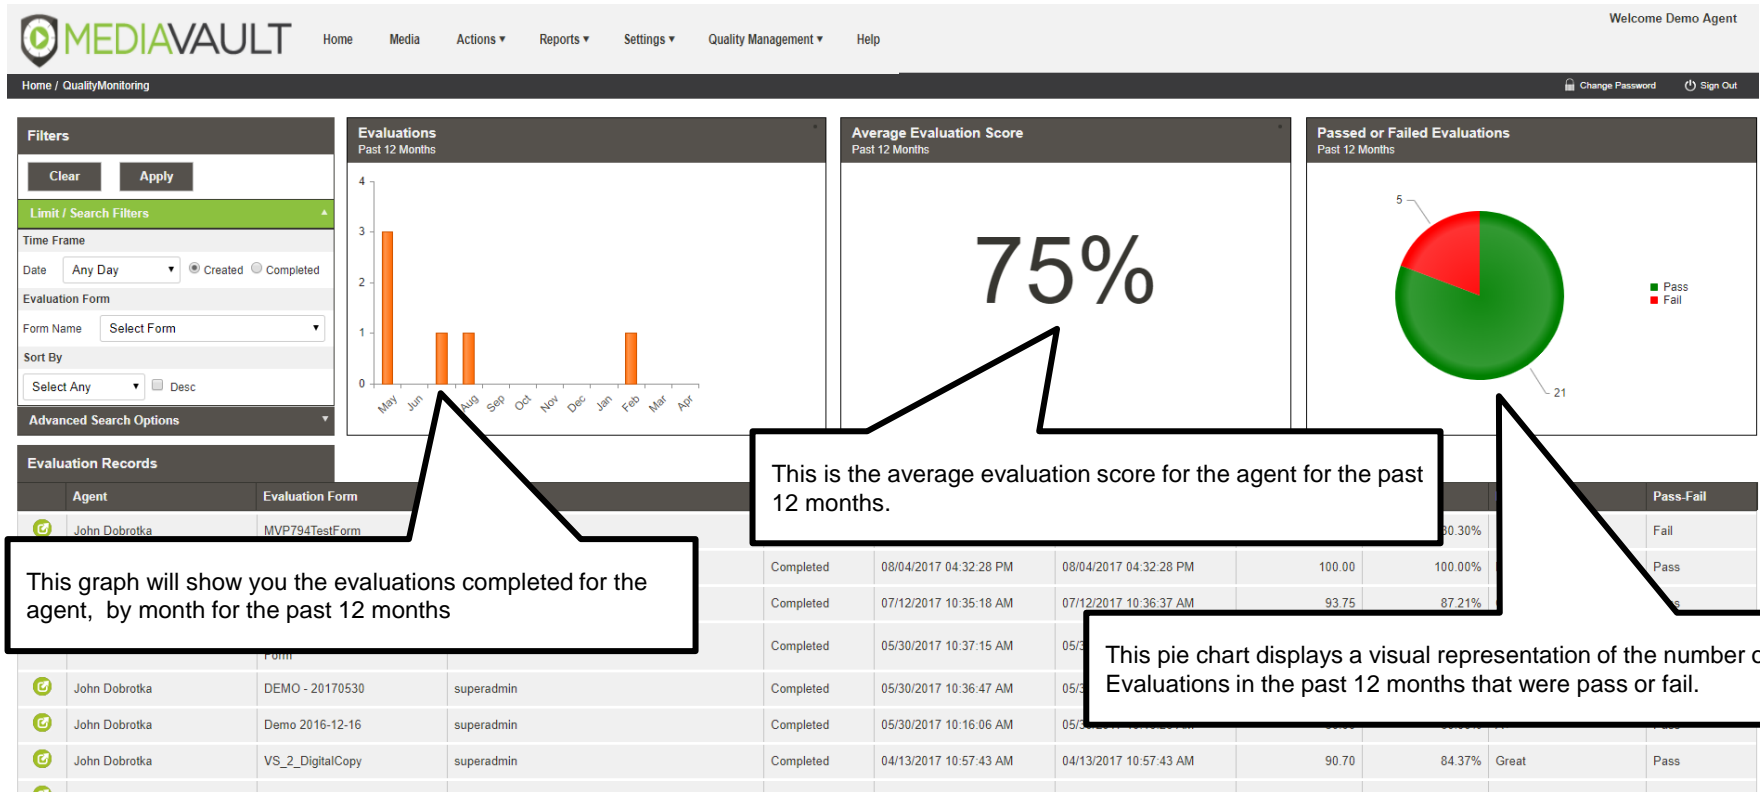

- Agent Greeting Section Value: $100 \times .33 = 33$
- Main Section Value: $25 \times .33 = 8.25$
- Conclusion Section Value: $75 \times .34 = 25.5$
- Total Form Value: $33 + 8.25 + 25.5 = 66$

Quality Management – Agent Dashboard

The screenshot displays the MediaVault Quality Management interface. At the top, a navigation bar includes the MediaVault logo and menu items: Home, Media, Actions, Reports, Settings, Quality Management, and Help. The 'Quality Management' menu is open, showing a 'Dashboard' option. A callout box with a black border and white background points to this option, containing the text: "To view the agent dashboard, hover the mouse over the Quality Monitoring tab, and click the Dashboard option." Below the navigation bar, the breadcrumb "Home / Media Records" is visible. The main content area is divided into a 'Filters' sidebar on the left and a 'Media Records' table on the right. The 'Filters' sidebar includes a 'Clear' and 'Apply' button, a 'Limit / Search Filters' section, and time frame filters for 'Date' (set to 'Any Day'), 'Media Time', 'Handle Time', and 'Talk Time'. The 'Media Records' table has a search bar and a table with columns for selection, status icons, Date / Time, Contact ID, ANI, and other details. The table contains several rows of data, including dates from 8/17/2021 and various contact IDs and ANI numbers.

			Date / Time	Contact ID	ANI				Campaign	Agent Group	Handle
